BioProcessing™ JOURNAL

Trends & Developments in BioProcess Technology

Print Advertising Specs

SPECIFICATIONS:

- Create your ad in any layout software you want to use, utilizing CMYK color management.
- Once it has been finalized, convert the ad to Acrobat (300 dpi PDF) and send it our way.
- We can also accept JPEG, TIFF, and EPS files. Ad sizes are shown below.

SUBMITTING ELECTRONIC FILES:

- Email your ad file to editor@bioprocessingjournal.com; or
- Mail a CD or memory stick (non-returnable) to the address below; or
- Upload the ad to your FTP and tell us the log-in/password so we can download it.

CONTACT US:

- We are happy to answer any questions you might have. Feel free to email us at advertising@bioprocessingjournal.com.
- For pricing and to place orders, email us at advertising@bioprocessingjournal.com.
