

Trends & Developments in BioProcess Technology

2012 **SCHEDULING**
Vol. 11/No. 1

Submit Manuscripts:
January 1, 2012*

Submit Ad Materials:
February 1, 2012*

Issue Posted To BPJ Website:
March 30, 2012
(to printer shortly thereafter)

Suggested Topics: Cell Banking, Cell Culture Scale-Up, and Lab Instrumentation

ISBioTech
2nd Annual Flexible Facilities Meeting & Systems
April 2-4, 2012 April 5-6, 2012
Back-to-Back Meetings
in Rosslyn, VA USA

Cell Culture Engineering
April 22-27, 2012, Scottsdale, AZ

Phacilitate Immunotherapy Forum
May 9-11, 2012, Barcelona, Spain

ASGCT
May 16-20, 2012, Philadelphia, PA

BONUS DISTRIBUTION

2012 **SCHEDULING**
Vol. 11/No. 2

Submit Manuscripts:
April 1, 2012*

Submit Ad Materials:
May 1, 2012*

Issue Posted To BPJ Website:
June 30, 2012
(to printer shortly thereafter)

Suggested Topics: Bioinformatics, Process Economics, and Virus Filtration

Vaccine Technology IV
May 20-25, 2012
Albufeira, Portugal

BIO International Convention
June 18-21, 2012
Boston, MA USA

BONUS DISTRIBUTION

2012 **SCHEDULING**
Vol. 11/No. 3

Submit Manuscripts:
July 1, 2012*

Submit Ad Materials:
August 1, 2012*

Issue Posted To BPJ Website:
September 30, 2012
(to printer shortly thereafter)

Suggested Topics: Characterization and Qualification of Cell Substrates, Flexible Facilities, and Trends in Bioprocessing

Mid-Atlantic BIO
2012 Details
Forthcoming

BEBPA Bioassay Meeting
2012 Details
Forthcoming

BONUS DISTRIBUTION

2012 **SCHEDULING**
Vol. 11/No. 4

Submit Manuscripts:
October 1, 2012*

Submit Ad Materials:
November 1, 2012*

Issue Posted To BPJ Website:
December 30, 2012
(to printer shortly thereafter)

Suggested Topics: Intellectual Property, Protein Production, Yeast and Bacterial Fermentation

Phacilitate Washington Vaccine, Cell & Gene Therapy, and Protein Therapeutics Forums
2013 Details Forthcoming

BONUS DISTRIBUTION

Note from Managing Editor: It is our goal to place your manuscript into the production queue as soon as it is submitted. "Suggested Topics" for each issue are recommendations, not limitations. One last thing: *We do not charge to publish your article!* And our paid advertisers help us to keep it that way. *Contact us today.*

2013 **SCHEDULING**
Vol. 12/No. 1

Submit Manuscripts:
January 1, 2013*

Submit Ad Materials:
February 1, 2013*

Issue Posted To BPJ Website:
March 30, 2013
(to printer shortly thereafter)

Suggested Topics: Fill and Finish, PCR Analysis, Regulatory Trends

ISBioTech
3rd Annual Flexible Facilities Meeting & Systems
April 2013 April 2013
Back-to-Back Meetings
Details Coming Soon

Cell Culture Engineering
2013 Details Forthcoming

Phacilitate Immunotherapy Forum
2013 Details Forthcoming

ASGCT
2013 Details Forthcoming

BONUS DISTRIBUTION

2013 **SCHEDULING**
Vol. 12/No. 2

Submit Manuscripts:
April 1, 2013*

Submit Ad Materials:
May 1, 2013*

Issue Posted To BPJ Website:
June 30, 2013
(to printer shortly thereafter)

Suggested Topics: Baculovirus Expression, Vaccine Portfolio Considerations, Viral Reference Materials

Vaccine Technology V
2013 Details
Forthcoming

BIO International Convention
2013 Details
Forthcoming

11th PEACe Conference
2013 Details
Forthcoming

BONUS DISTRIBUTION

2013 **SCHEDULING**
Vol. 12/No. 3

Submit Manuscripts:
July 1, 2013*

Submit Ad Materials:
August 1, 2013*

Issue Posted To BPJ Website:
September 30, 2013
(to printer shortly thereafter)

Suggested Topics: Cryopreservation, Design of Experiments, Personalized Cell-Based Medicine

Mid-Atlantic BIO
2013 Details
Forthcoming

BEBPA Bioassay Meeting
2013 Details
Forthcoming

BONUS DISTRIBUTION

2013 **SCHEDULING**
Vol. 12/No. 4

Submit Manuscripts:
October 1, 2013*

Submit Ad Materials:
November 1, 2013*

Issue Posted To BPJ Website:
December 30, 2013
(to printer shortly thereafter)

Suggested Topics: Biologic Drug Delivery Systems, Cell Line Development, Raw Material Development

Phacilitate Washington Vaccine, Cell & Gene Therapy, and Protein Therapeutics Forums
2014 Details
Forthcoming

BONUS DISTRIBUTION

*Are you finding it challenging to meet a submission deadline? Email the managing editor for drop-dead dates (editor@bioprocessingjournal.com).
